WELCOME TO MOTORINO NORTH

Enoteca describes a popular, established, local restaurant and bar that has a range of high quality wines. Motorino Enoteca is founded on these hospitality elements that were brought from Italy and introduced to the Greater Toronto Area through our six locations and counting.

An inviting and friendly atmosphere, hospitable service, and delicious cuisine are components essential to the success of today's corporate and social catering events.

Our new Event Prix Fixe Menu, Catering Menu and Dining Menu deliver traditional, wholesome Italian flavours with a modern twist, preserving the values we hold to use organic ingredients that come from local farms in Ontario and directly to your plates.

We strive to continuously surpass the standards we have set for ourselves. It is not enough for us to meet client expectations, we must exceed them.

On behalf of the Motorino Restaurants & Cucina Catering Team, we look forward to working with you in creating special events and memorable occasions.
